11TH KING'S INTERNATIONAL SUMMIT on Modern Surgical Reconstruction and Multidisciplinary Care of The Diabetic Foot

Breaking the Chains of the Diabetes Amputation Crisis

Do you treat patients with diabetic foot conditions and want to drive real change?
JOIN US IN THE FIGHT AGAINST MAJOR AMPUTATIONS IN DIABETIC FOOT MANAGEMENT

**PROFESSOR
MIKE EDMONDS**
Co-director

**PROFESSOR
VENU KAVARTHAPU**
Co-director

MEETING CONVENORS:

Dave Russell, Vascular Surgeon, Leeds Teaching Hospital NHS Trust.

Hani Slim, Vascular Surgeon, King's College Hospital.

James Chan, Plastic Surgeon, Stoke Mandeville Hospital.

Asmat Din, Plastic Surgeon, King's College Hospital.

Dane K. Wukich, Foot and Ankle Surgeon, UT Southwestern School of Health Professions

Ngwe Phyto, Consultant Orthopaedic Surgeon, Frimley Health NHS Trust.

Chris Manu, Consultant Endocrinologist, King's College Hospital.

Maureen Bates, Chief Podiatrist, King's College Hospital.

Calling all **Surgeons, Radiologists, Physicians, Podiatrists**, and
Allied Health Professionals with an interest in MDT diabetic foot care.

11th King's International Summit

Modern Surgical Reconstruction and Multidisciplinary Care of the Diabetic Foot

14th & 15th October 2025 | Kings Place, London

REGISTRATION FEES

Registration fee includes: coffee breaks, buffet lunch and networking reception on Tuesday 14 th October	Early Fee before 31st August <u>TWO DAYS</u> attendance	Early Fee before 31st August <u>SINGLE DAY</u> attendance	Standard Fee after 1st September <u>TWO DAYS</u> attendance	Standard Fee after 1st September <u>SINGLE DAY</u> attendance
Consultant Surgeons	£300	£250	£400	£350
Trainees, Podiatrists and Allied Health Professionals	£200	n/a	£250	n/a

Diabetes-related amputations are spiralling out of control, leaving patients to bear life-altering consequences and health systems to shoulder staggering costs.

THE HARSH REALITY?

Where you live and how much you earn could determine whether you keep your leg or lose it.

In England alone, there's a postcode lottery with nearly a fivefold difference in major amputation rates, hitting hardest in socio-economically deprived areas.

AMPUTATIONS ARE NOT INEVITABLE - THEY ARE PREVENTABLE.

Why are we still letting geography dictate outcomes?

THE 11TH KING'S INTERNATIONAL SUMMIT WILL CONFRONT THIS CRISIS HEAD-ON.

We will challenge outdated approaches and shine a spotlight on the best podiatric and multidisciplinary diabetic foot care along with modern Orthopaedic, Vascular and Plastic Surgical reconstruction techniques that are saving limbs and lives.

11th King's International Summit

Modern Surgical Reconstruction and Multidisciplinary Care of the Diabetic Foot

14th & 15th October 2025 | Kings Place, London

Provisional Programme subject to change

Tuesday 14th October

08:00 REGISTRATION & COFFEE

SESSION 1: HOW TO TACKLE THE AMPUTATION CRISIS

(Hall One)

Chairs: Venu Kavarthapu and Mike Edmonds

- 08.30-08.40 Welcome Address **Colette Marshall, CEO Diabetes UK**
- 08.40-08.50 Towards Zero Preventable Amputations! **Mike Edmonds**
- 08.50-09.05 Reducing Avoidable Diabetic Amputations Through Getting It Right First Time (GIRFT) **Gerry Rayman**
- 09.05-09.15 Breaking the Cycle of Diabetic Deformity and Limb Loss **Venu Kavarthapu**
- 09.15-09.25 Limb Saving Soft Tissue Reconstruction of Diabetic Foot **James Chan**
- 09.25-09.35 Offloading and Advanced Wound Care Prevent Amputations **Maureen Bates**
- 09.35-09.50 National Vascular Registry **Arun Pherwani**
- 09.50-10.05 Discussion

10:05 COFFEE & INDUSTRY EXHIBITION

SESSION 2: INFECTION AND SOFT TISSUE LOSS

(Hall One)

Chairs: Raghvinder Gambhir and Ranjeet Brar

- 10.35-11.05 Industry symposium - **AOTI**
- 11.05-11.15 Infection, the Great Destroyer of the Diabetic Foot **Erika Vainieri**
- 11.15-11.25 When to Use IV Therapy and the Value of Outpatient Parenteral Antibiotic Therapy (OPAT) **Aileen Boyd**
- 11.25-11.35 Osteomyelitis Debridement Principles and Techniques **Ngwe Phyo**
- 11.35-11.50 Reducing Mortality from Diabetic Foot Infected Mixed Attack **Fermin Martinez de Jesus**
- 11.50-12.00 Soft Tissue Cover Post-Debridement Defects **Asmat Din**
- 12.00-12.10 Discussion
- 12.10-12.40 Industry symposium - **BONESUPPORT**

12:40 LUNCH & INDUSTRY EXHIBITION

SESSION 3: NEUROPATHY, VASCULAR AND DEFORMITY

(Hall One)

Chairs: Domenico Valenti and Patrick Chong

- 13.20-13.40 Keynote Lecture - Can Peripheral Neuropathy be Cured? **Andrew Boulton**
- 13.40-13.50 Basics and Advances in Vascular Assessment of Diabetic Foot **Hakan Uncu**
- 13.50-14.00 Endovascular or Bypass Route in Below-the-Ankle Disease **David Russell**
- 14.00-14.10 New Approaches to the 'MINOR' Approach **Hani Slim**
- 14.10-14.20 Advances in Imaging the Charcot Foot **Nina Petrova**
- 14.20-14.30 Virtual National MDT for Charcot Foot a New Approach **Nicole Abdul**
- 14.30-14.45 Discussion
- 14.45-15.00 Guest Lecture - BOFAS Presidential Lecture **Robert Clayton**

15:00 TEA & INDUSTRY EXHIBITION

11th King's International Summit

Modern Surgical Reconstruction and Multidisciplinary Care of the Diabetic Foot

14th & 15th October 2025 | Kings Place, London

Provisional Programme subject to change

Tuesday 14th October

SESSION 4: PAST, PRESENT AND THE FUTURE (Hall One)

Chairs: Hakan Uncu and Dane Wukich

- 15.30-15.45 Guest Lecture - Lessons from the National Diabetic Foot Audit (NDFA) **Frances Game**
- 15.45-16.00 **Keynote Lecture** - The Rising Tide of DFUs: It's Time to Stop Mending Dikes and Start Building Durable Bridges and Flow Management **Joe Mills**
- 16.05-16.25 **Keynote Lecture** - Breaking the Chain of Diabetic Amputations **David Armstrong**
- 16.25-17.25 Free Paper Presentations **Chairs: Nina Petrova and Erika Vainieri**
- 17.25-17.45 Panel Review of Past, Present and a Peak into The Future of Charcot Foot
Prashanth Vas, Hani Slim, Raju Ahluwalia
vs.
Mike Edmonds, David Russell, Venu Kavarthapu
- 17.45-17.50: Close of day one

17:50-18.30 NETWORKING DRINKS RECEPTION

11th King's International Summit

Modern Surgical Reconstruction and Multidisciplinary Care of the Diabetic Foot

14th & 15th October 2025 | Kings Place, London

Provisional Programme subject to change

Wednesday 15th October

08:00 REGISTRATION & COFFEE

SESSION 5: FREE PAPER PRESENTATIONS (Hall One)

08.30-09.30 Free paper presentations **Chairs: Nina Petrova and Ngwe Phyo**

SESSION 6: DEVELOPING DIABETIC FOOT ORTHOPAEDIC SERVICE LOCALLY (Hall One) **Chairs: Iris Kwok and Thomas Hester**

- 09.35-09.45 How I Manage Non-Ulcerated Charcot Foot Deformities **Jas Giddie**
- 09.45-09.55 How I Established Diabetic Foot Infection Surgery Service **Nijil Vasukutty**
- 09.55-10.05 A Step Ladder Approach to Training for Diabetic Foot Surgery **Verity Currall**
- 10.05-10.15 Selecting the Right Charcot Deformity for a Reconstruction **Raju Ahluwalia**
- 10.15-10.25 When We Recommend Prior Vascular Correction Before Reconstruction **Hani Slim**
- 10.25-10.35 Training Future Diabetic Foot and Ankle Surgeons in USA **Dane Wukich**
- 10.35-10.45 Discussion

PARALLEL SESSION PODIATRIC & MEDICAL: DIABETIC FOOT IMAGING AND WORKSHOP (St. Pancras Room) **Chairs: Wegin Tang and Michelle Stafford**

- 09.45-10.00 Is This Foot Presentation a Charcot, Infection or Gout? **Maureen Bates**
- 10.00-10.10 The Use of Duplex to Image Ultra Distal Arteries **Ben Freedman**
- 10.10-10.30 Basics of Interpretation of Diabetic Foot Imaging and Workshop **Lisa Meacock**
- 10.30-10.45 Discussion

PARALLEL SESSION VASCULAR & PLASTIC SURGERY: BEST PRACTICE APPROACH TO DIABETIC ISCHAEMIC LIMB REVASCULARISATION (Limehouse Room) **Chairs: Mike Edmonds and Hakan Uncu**

- 09.45-09.55 Current Orthopaedic Trends in Ischemic Charcot Reconstruction **Tom Hester**
- 09.55-10.10 Imaging of Distal Arteries with Angio, CT and MRI **Dean Huang**
- 10.10-10.25 Distal Endovascularisation Techniques and Tips **Jason Wilkins**
- 10.25-10.35 Has Basil and Best CLI Altered Vascular Practice? **David Russell**
- 10.35-10.45 Discussion

10:45 COFFEE & INDUSTRY EXHIBITION

11th King's International Summit

Modern Surgical Reconstruction and Multidisciplinary Care of the Diabetic Foot

14th & 15th October 2025 | Kings Place, London

Provisional Programme subject to change

Wednesday 15th October

SESSION 7: GETTING BASICS RIGHT IN CHARCOT FOOT RECONSTRUCTIONS

(Hall One)

Chairs: Raju Ahluwalia and Kanishk Shah

- 11.15-11.25 Approach to Antibiotic Management in Diabetic Foot Surgery **Chris Manu**
- 11.25-11.35 My Surgical Planning for Midfoot Charcot Reconstruction **Alex Wee**
- 11.35-11.45 Getting Predictable Outcomes with Hindfoot Reconstruction **Ngwe Phyo**
- 11.45-11.55 When and Why, I Use Combined Internal and External Fixation? **Madhu Tiruveedhula**
- 11.55-12.05 Keynote Talk: Lessons Learned from a Lifetime of Charcot Reconstruction **Dane Wukich**
- 12.05-12.15 Discussion
- 12.15-12.45 Industry sponsored symposium- **MARQUARDT**

PARALLEL SESSION PODIATRIC & MEDICAL:

INTERVENTIONAL SYMPOSIUM AND OFFLOADING WORKSHOP

(St. Pancras Room)

Chairs: Erika Vainieri and Prashanth Vas

- 11.15-11.45 How to Apply a Modified TCC **Wegin Tang**
- 11.45-12.05 How to Carry out a Bone Biopsy **Prashanth Vas**
- 12.05-12.25 When to Consider a Percutaneous Tenotomy **Patricia Lee**
- 12.25-12.45 Is the Doppler a Valuable "Piece of Kit" **Chris Manu**

PARALLEL SESSION VASCULAR & PLASTIC SURGERY:

CREATIVE WAYS OF IMPROVING VASCULAR SERVICES

(Limehouse Room)

Chairs: David Russell and Mike Edmonds

- 11.15-11.30 Centralisation of Vascular Surgery - The Way Forward **Jonathan Boyle**
- 11.30-11.40 Admission Avoidance Minor Diabetic Foot Surgeries **Tim Parkinson**
- 11.40-11.50 An Approach to No-option Ischaemia **Hani Slim**
- 11.50-12.05 Deep Venous Arterialisation- The Intervention **Hany Zayed**
- 12.05-12.15 Perioperative Care of Deep Venous Arterialisation **Prashanth Vas**
- 12.15-12.35 Combined Endovascular and Free Flap Diabetic Foot Salvage **Honda Hsu**
- 12.35-12.45 Discussion

12:45 LUNCH & INDUSTRY EXHIBITION

11th King's International Summit

Modern Surgical Reconstruction and Multidisciplinary Care of the Diabetic Foot

14th & 15th October 2025 | Kings Place, London

Provisional Programme subject to change

Wednesday 15th October

SESSION 8: COMPLEX DIABETIC FOOT SURGERY

(Hall One)

Chairs: Dane Wukich and Kanishk Shah

- 13.30-13.40 Why Do I Choose External Fixation for Reconstructions **Sultan Qasim**
- 13.40-13.50 How Do I Manage Infected Charcot Foot Deformities? **Tom Hester**
- 13.50-14.00 My Approach to Neuropathic Diabetic Foot Deformities **Matt Welck**
- 14.00-14.10 My Approach to Combined Hindfoot and Midfoot Deformities **Venu Kavarthapu**
- 14.10-14.20 The Subtalar- to be Included or Not? **Raju Ahluwalia**
- 14.20-14.30 Discussion
- 14.30-14.45 Rapid Fire Case Discussions **Alex Wee and Ngwe Phyoo**
- 14.45-15.15 Industry Sponsored Symposium - **ORTHOFIX**

PARALLEL SESSION PODIATRIC & MEDICAL: EXTENDED ROLE OF THE PODIATRIST

(St. Pancras Room)

Chairs: Maureen Bates and Chris Manu

- 13.30-13.45 ACT NOW - Before it is too Late! **Jayne Robbie**
- 13.45-14.00 Lessons Learnt from NHS Resolution **Michelle Stafford**
- 14.00-14.15 The Role of a Vascular Skilled Podiatrist **Martin Fox**
- 14.15-14.35 MDFT Review and Transformation **Richard Paisey/Angie Abbott**
- 14.35-14.45 Discussion
- 14.45-15.15 Industry Sponsored Symposium - **CONVATEC**

PARALLEL SESSION VASCULAR & PLASTIC SURGERY: SOFT TISSUE RECONSTRUCTION OF DIABETIC FOOT

(Limehouse Room)

Chairs: James Chan and Asmat Din

- 13.30-13.40 Plastic Surgical Reconstruction within an established Diabetic Foot Practice - the King's Experience **Asmat Din**
- 13.40-14.00 The Role of the Plastic Surgeon in Diabetic Foot Care - the Ganga Hospital Experience **Madhu Periasamy**
- 14.00-14.10 Preventing Secondary Deformity During Soft Tissue Reconstruction **Ed Fitzgerald O'Connor**
- 14.10-14.30 Soft Tissue Recon for Other Diabetic Foot Problems **Rebecca Shirley & James Chan**
- 14.30-14.45 Discussion
- 14.45-15.15 Proceed to St. Pancras Room for Industry sponsored symposium - **CONVATEC**

15:15 TEA & INDUSTRY EXHIBITION

SESSION 9: CROSSFIRE IN DIABETIC FOOT SURGERY

(Hall One)

Chairs: Mike Edmonds and Venu Kavarthapu

- 15.30-15.40 An Ideal Footwear Following Diabetic Foot Reconstruction **Christian Pankhurst**
- 15.40-15.50 How to Avoid Secondary Deformity Following a Vascular Procedure **David Russell**
- 15.50-16.00 Prevention of Vascular Complication During Deformity Correction **Venu Kavarthapu**
- 16.00-16.10 The Need for Collaboration in the MDFT **Mike Edmonds**
- 16.10-16.20 Discussion
- 16.20-16.30 Take home message, Prizes, Closure
